

InterCare
TRAINING

COMMUNITY SERVICES TRAINING PROVIDER

WELCOME TO INTERCARE TRAINING

Who is InterCare Training?

Our Registered Training Organisation (Integrated Training Solutions (Aust) Pty Ltd) was established in 2001 and in our fourteen years of operation we have developed a team of industry experts, supported by proven training delivery, tools and strategies. Registered to deliver many Government funded programs nationally, we actively investigate new Government initiatives designed to benefit individuals, employers and their staff.

Why InterCare Training?

InterCare Training is dedicated to the Community Services sector and educating those interested in joining and improving their skills in this exciting industry by supporting them with the necessary qualifications required to do so.

We recognise that the Community Services Training area including Aged Care, Home and Community Care & Disability is an area of growing need in Australia. It is also one that requires a specialised focus to ensure the quality of training delivery is of a high standard - this is the sole focus for our operations. Our business model supports this commitment to the Community Services sector and provides training programs that include work placement events, ensuring students are well skilled and job ready for facilities to engage with upon completion.

How are we supporting our students and adding value to our courses?

- With a business mission that is focused on job outcomes for students, our internal target is to achieve a greater than 80% employment outcome for our students
- Strong connection with community services employment agencies to support final job outcomes for students
- Student access to internal job board for community services positions
- Strong connection with industry as a result of continuous industry engagement via ongoing consultation activities
- Trainers with current skills and strong industry experience, supported by annual currency programs
- Resources that are industry reviewed and supported via industry consultation
- Training and Assessment strategies that have had industry input and endorsement

What makes InterCare Training different from the current market providers?

At InterCare Training we're not just a training provider, but a training partner to the Community Services industry. We appreciate the strong relationships we have with our industry partners which is why our business operations provide for:

- Programs that have had high levels of industry endorsement & involvement
- A delivery model that achieves Best Practice Including high Trainer contact through out the entire course duration
- Trainers that visit students during their work placement events
- Dedicated Account Management access & support

Integrated Training Solutions (Aust) Pty Ltd t/a InterCare Training.
RTO No: 21099

Tammy
Certificate III in Aged Care student

"Having not done any formal study for a number of years I enrolled in the cert III in Aged Care Course and by the end of the first week I had already enrolled in to the Certificate IV in Disability. The trainers knowledge and understanding made the experience ...enjoyable and rewarding..."

Sharon
Certificate III in Aged Care student

"I found the course interesting and extremely fulfilling. [The Trainer] took the time to explain everything so we had a [great] understanding of what we were being taught"

Where do we operate?
